Osler's national Financial Services Group is pleased to present its second newsletter. On a regular basis we share an informative article with national relevance to finance law to help you stay current. Our newsletter will also help you know what is new and upcoming from Osler Financial Services.

What secured lenders need to know when taking a pledge of shares in Alberta or British Columbia ULCs

This article is intended to provide a high-level overview of key points of interest to a lender dealing with an unlimited liability company (ULC) formed under the laws of British Columbia or Alberta. We also highlight areas of concern for secured lenders and collateral agents with respect to a pledge of ULC shares.

Bill C-228: What secured parties need to know

Bill C-228, known as the “Pension Protection Act” (the PPA) received Royal Assent in April 2023 and is now law. The PPA significantly expands the super-priority protections that insolvency statutes provide for defined benefit (DB) pension plans. In this article, we consider the impact of the PPA on secured financing transactions and steps secured lenders can take to potentially minimize exposure.

Lisa Mantello named one of the Most Influential Lawyers in Canada for 2023

We're so proud that Lisa Mantello, partner, Financial Services, was recognized in September as one of Canada's Top 25 Most Influential Lawyers by *Canadian Lawyer* in their 2023 survey of readers, peers and chosen by the editorial board.

Lisa is consistently recognized as a leading lawyer by the *Canadian Legal Expert Directory* in the area of derivatives, by Best Lawyers in Canada in the area of banking and finance and as "Highly Regarded" by IFLR 1000 in the areas of banking and finance, derivatives and financial restructuring. [Find out more](#) about Lisa and in particular, her pro bono work in the last 18 months in conjunction with the Bank of Canada where she was appointed as Chair of the Legal and Compliance Committee as part of the Canadian Alternative Reference Rate (CARR) working group established to shift Canada to the new Term Canadian Overnight Rep Rate Average (CORRA).
