acrudo@osler.com

.....

Anthony obtained his J.D. with Distinction from Western Law, where he volunteered as a Case Worker and Program Manager with the Sport Solution Clinic.

Prior to law school, he obtained a Bachelor of Applied Science in Computer Engineering from Queen’s University and had a fulfilling career having worked in aerospace and defence, as well as with a Canadian startup.

Anthony first joined the firm as a summer student in 2024 and is expected to complete his articles with Osler in 2026.
