After earning her JD at the University of Ottawa, Clara is now an articling student in our Toronto office. Prior to law school, she obtained a Bachelor in Business Administration from Ivey Business School and a Bachelor in Modern Languages from Western University. Clara has also worked in technology consulting at IBM, Bell, and Level5 Strategy.

During law school, Clara has held several leadership roles in the Business Law Society and won first place in the LeClair Metaverse Moot. While at uOttawa, Clara served as a research assistant for Professor Theresa Scassa on Generative AI and for Professor Florian Bariteau on Blockchain. Clara first joined Osler in 2023 as a first year summer student.
