

Colleen Morawetz

Privacy Knowledge Management Lawyer

Toronto

(416) 862-4279

cmorawetz@osler.com

Bar Admission: Ontario, 2019

Areas of Expertise

Privacy and Data Management

As Knowledge Management Lawyer for the Privacy and Data Management group, Colleen oversees content on the AccessPrivacy platform related to current trends and developments in the Canadian privacy arena. She also provides specialized legal research and precedent management services to the team, as well as assisting more broadly with AccessPrivacy thought leadership initiatives.

Prior her current role, Colleen was an associate in the Research Group.
