Bar Admission: Alberta, 2020

Areas of Expertise

Emerging and High Growth
Companies

John-David (JD) is an associate in the Emerging and High Growth Companies Group of our Calgary office with a focus on mergers and acquisitions, corporate finance and general corporate matters. JD has experience working with companies at all stages of their life cycle from incorporating and organizing startups to public offerings of securities and everything in between. JD also has significant experience working with clients in the fintech and block-chain space including providing advice on the regulation of crypto asset trading platforms, tokenized business models, establishment of decentralized autotomized organizations (DAOs), governance of emerging crypto-currencies, and crypto-currency trading and investing.
