.....

Joseph is the Chief Information Officer for Osler. In this role, Joseph is responsible for technology strategy, IT operations, information security, technology support, and the firm's project management office. Joseph has worked in the professional services area for over 25 years and previously held the position of Director of Enterprise Architecture and Security for Osler. Prior to joining Osler in 2007, Joseph was the Chief Architect of a publicly-traded technology consulting firm as well as holding positions in the financial and technology sectors.

Joseph holds a Bachelor of Science degree (Hons.) in Computer Science from the University of Toronto and is a Certified Information Systems Security Professional (CISSP).
