Bar Admission: British Columbia, 2026

Julian is an associate in Osler’s Corporate group with a practice focusing on capital markets, mergers & acquisitions, and general corporate matters.

Julian received his Juris Doctor from Queen’s University. During his studies, Julian worked on training legal AI models and served as a student clinician at the Queen’s Business Law Clinic.

Prior to law school, Julian completed his B.A. at the University of British Columbia and gained experience working in various technology companies in Canada and the United States.

Julian joined Osler as a summer student and completed his articles with the firm before transitioning to associate.
