Kristin is an associate in Osler’s Corporate Group. Her practice focuses on mergers and acquisitions, corporate finance and securities, corporate governance, and general corporate matters.

Kristin received her J.D. from Osgoode Hall Law School. During law school, Kristin studied International Business Law at Hamburg University in Germany, where she gained exposure to International M&A, Commercial Litigation, and International Sales Law. This experience strengthened her ability to analyze complex cross-border issues, adapt to different legal frameworks, and bring a global perspective to her practice. Prior to and during law school, Kristin worked as a High-Risk Coordinator for Victims Services of Waterloo Region, where she provided trauma-informed supports for victims of crime and tragic circumstance. She was appointed to their Board of Directors in Spring 2023, where she contributes to organizational governance and strategic decision-making.
