Areas of Expertise

Renewable Energy

Banking and Financial Services

Power and Utilities

Infrastructure

Project Finance

Public Private Partnerships (P3)

Construction

Marissa's practice covers many areas of corporate and commercial law, with a focus on the energy, financial services, and infrastructure sectors. She has worked on a variety of complex transactions related to public-private partnerships, project financings of major renewable energy projects, acquisitions and sales of large energy and infrastructure projects, syndicated credit facilities and partnering agreements. Marissa has experience representing a broad range of clients, including corporate borrowers and lenders, including developers, equity sponsors, contractors, and banks.
