Banking and Financial Services

Technology

Commercial Technology

Transactions

Sam is an associate in Osler's Technology group. He has a general corporate and commercial practice with a focus on technology. Prior to his career in law, he completed a Mechanical Engineering co-op degree where he gained work experience in the technology and oil and gas industries.

Sam received his J.D. from Osgoode Hall Law School, where he competed at the national level of the Harold G. Fox IP Moot and the Phillip C. Jessup International Law Moot. While at Osgoode, Sam also provided research assistance for Professor Poonam Puri regarding Securities Law and Corporate Governance.

Sam joined Osler as a summer student in 2021 and completed his articles with the firm in 2022-2023.
